No new members were present.

Kerry informed the group that her first priority as the new lead for the Council is to increase participation at quarterly meetings. The group brainstormed methods and it was decided that we would take 2 actions:

1. Rotate the meetings around the PSA each quarter. Have one meeting in Rome, one in Ellijay, one in Dalton and one in Bartow annually.
2. Include training topics in each meeting. Suggested topics included Elder Abuse; CRITICALSM Conditions, Estate Recovery. The group agreed to consider other topics and submit them via e-mail.

Kerry conducted a training session on Medicare Advantage Medical Savings Accounts. Handouts of the presentation were distributed.

No further business was introduced.
